Distributed by State Senator Kent Adams

**SECOND REGULAR SESSION OF THE  
113TH  
INDIANA GENERAL ASSEMBLY  
2004**

**SUMMARY OF NEW LAWS**

**PREPARED BY THE SENATE MAJORITY ATTORNEY'S OFFICE**

**Kathleen Cord Cash  
Chief Legal Counsel**

## **PREFACE**

*This document is a comprehensive Summary of Laws passed by the 2004 General Assembly, including the 98 bills passed (18 Senate Bills and 80 House Bills) during the Legislative Session completed on March 4, 2004. These bills have been categorized by general subject matter, as listed in the Table of Contents. The Index at the back of this document lists all Senate and House bills in numerical order and notes the page number for each bill.*

*This session approximately half of the Senate Bills passed by the Senate were not acted upon by the House in the regular course of business. As a result, the content of many of these bills was included in conference committee reports on House Bills and thus became law as part of these House Bills. Throughout this Summary, we have identified the 38 Senate Bills that became part of House Bills in this manner.*

*Many of the bills passed contained changes relating to more than a single subject; therefore, at the beginning of each subject area in the Summary there are cross-references to other bills passed that might also be of interest. These other bills are noted by bill number, with the subject area under which they appear in the Summary noted in brackets below the bill number and brief description.*

*For purposes of this Summary, we have listed only the first and second author(s)/sponsor(s) for each bill. Additional Senators and Representatives who co-authored/co-sponsored the bill are not reflected here but can be found under "Bills and Resolutions" on the General Assembly home page or by contacting the Legislative Information Center.*

*For further information concerning laws passed, please contact either the Senate Majority Attorney's Office at (317) 232-9415 or the Legislative Information Center of the Legislative Services Agency at (317) 232-9856 or visit the General Assembly home page at <http://www.in.gov/legislative> or <http://www.in.gov/apps/lsa/session/billwatch/billinfo>.*

### ***Provisions Designed to Reduce Property Taxes***

1. Requires the Department of Local Government Finance (DLGF) to adjust rate controlled levies after annual and general reassessments to avoid levy windfalls. This will reduce property taxes beginning with taxes paid in 2004.
2. Rescinds the ability for local units to “bank” unused levy increases. This will help smooth out property tax increases and help prevent big tax increases in any single year.
3. Rescinds the ability of local taxing units to have appeal “buffers” or “set asides.” This will reduce property taxes beginning with taxes paid in 2004.
4. Rescinds the ability of local units to appeal to redistribute local Property Tax Replacement Credits to use for general expenses instead of for property tax relief. This requires that all taxes collected for property tax relief can only be used for property tax relief and will reduce property taxes beginning with taxes paid in 2004.
5. Repeals local units’ ability to spend up to 2% of a levy excess by requiring the entire excess levy to be deposited into the levy excess fund. Requires the excess to be used to reduce levies in a subsequent year. This will reduce property taxes beginning with taxes paid in 2004.
6. Requires libraries to gain approval of the appropriate county or city/town elected fiscal body for levy increases greater than 5%. Gives elected officials the opportunity to prioritize local needs.

### ***Provisions Designed to Assist Taxpayers***

1. Extends the filing deadline to December 15, 2003 for pay 2004 taxes for the following deductions/credits – mortgage, Homestead Credit, homeowners, seniors, blind and disabled, veteran’s disability, WWI veterans and spouse’s of WWI veterans. This allowed Hoosiers that were eligible for a deduction, but failed to file, a second chance.  
**1a. Clarifies the language above to provide that the filing deadline was extended to filings that were made “on or before” December 15, 2003 as opposed to “before December 15”**
2. Permits counties to request approval of the DLGF to: waive penalties for pay 2004 taxes and permit installment payments beginning with pay 2004 taxes.
3. Validates all actions taken by the DLGF prior to January 1, 2004 to grant installment payments, waive late penalties or extend an appeal deadline.

4. Permits taxpayers to take an increased income tax deduction in 2004 for 2003 property taxes paid in 2004. Taxpayers won't lose part of their 2003 deduction because property tax bills were late in some counties.

**4a. Clarifies the language above concerning an increased income tax deduction in 2004 for 2003 property taxes paid in 2004.**

5. Requires assessors to use the most favorable assessment method for rental properties. This will help insure that rental properties are assessed in a fair manner which will help keep rents lower.

6. Prohibits DLGF from prescribing a form, and deletes the requirement that taxpayers have to file a formal appeal in order to have an informal preliminary conference with a township assessor. This simplifies the appeal process for taxpayers.

7. Eliminates the requirement to file a claim in order to receive a refund.

8. Requires County Treasurers to inform homeowners of the additional amount of property taxes that average homeowners in their county would be paying in 2004 if not for actions of the General Assembly to reduce property taxes. Requires DLGF to supply counties with the calculations.

9. Clarification intended to insure that taxpayers who receive the Notice of Assessment at the same time they receive the tax bill for pay 2004 or pay 2005 taxes have 45 days after receipt of the tax bill to appeal that year's assessment.

**9a. Clarification of the above language.**

***Provisions Designed to Improve the Assessment Process***

1. Empowers DLGF to adjust or take over the 2002 local reassessment process (for taxes payable in 2003) if local assessment officials fail to meet deadlines or accurately complete the process. Requires the DLGF to formally notify local officials of its intent to assume responsibility for the reassessment process and publish notice in a newspaper of general circulation in the county.

**1a. Amends the above language to provide that the public notice required to be placed in a newspaper is not only circulated in the county but also published in the county.**

2. Establishes training/qualification standards for assessors. Assessors must achieve Level 1 Certification within 1 year of taking office and Level 2 Certification within 2 years of taking office. Requires the exams to be open book and appropriates funds to DLGF from the assessment training fund conduct the training and examinations. Changes are designed to ensure that

assessors are well trained and all assessments are completed fairly and consistently.

3. Requires DLGF to complete a feasibility study on using common assessment software and present the study to the Commission on State Tax and Financing Policy leading to a more efficient, less expensive reassessment process.

4. Requires counties to submit sales disclosure data in electronic form. This will help ensure that assessing officials have the data needed for uniform and consistent assessments.

**5. Provides for an unlimited number of extension periods for emergency rules to implement reassessment in Lake County. (Normally, emergency rules are only effective for 90 days which will not provide sufficient time to complete the process.)**

**6. Corrects cross references governing appeals to the Board of Tax Review for Lake County.**

**7. Added conforming language for payment of property tax replacement credits in counties that have elected to have installment payments.**

**8. Provides language required to be included in a provisional tax statement may be in substantially similar form as required in statute, clarifies the language in the statement to match the amount billed under the rules.**

#### *Provisions Intended to Assist Civil Units and Schools*

1. Permits the state (including the Common School Fund) to invest in Bond Bank securities to help insure civil units and schools can make timely repayments for local tax anticipation loans issued through the State Bond Bank.

**2. Provides that Civil Units and Schools that have a property tax shortfall due to the use of erroneous assessed values or the payment of refunds resulting from appeals may appeal to the Local Government Tax Control Board for an excessive levy.**

**2a. Modifies the above language to provide that Civil Units and Schools that have shortfalls due to the use of erroneous AVs or the payment of refunds resulting from appeals have until December 31 of that year to appeal for relief in the immediately following year.**

#### *Other Provisions*

1. Authorizes counties to issue provisional tax bills up to 90% of the previous year's liability.

2. Provides for payment of PTRC in installments if counties make property tax payments due in installments.

3. Strengthens the petition/remonstrance process by reducing the number of property owners that can require the remonstrance process, and by prohibiting taxing units from using public resources to gain signatures. Changes are effective for controlled projects for which a notice of preliminary determination is filed after March 1, 2004.

4. Requires Commission on State Tax and Financing Policy to study ways to reduce the reliance on property taxes for services other than police and fire protection and public health and determine alternative sources of revenue.

**5. Correction of miscellaneous typographical and other technical errors.**
